

Activities in Parks

... are family events designed to bring families and communities together to have some fun and to promote physical and social recreation. The activities will vary from week to week.

Activities in Parks are **FREE**

Held within different reserves, parks and open spaces within the Kelston and Glendene communities.

SO bring yourself, your Whanau, your friends and enjoy the day's activities. Activities will vary from week to week and will include volleyball, basketball and backyard cricket.
