

EQUIPMENT POOL

Hiring Guide

Equipment Pool

Sport Waitakere is the central hub for sport and physical activity in Waitakere. We want to assist the public, schools, clubs and businesses to become more active. We recognise that the cost of purchasing new equipment can be a barrier to access therefore we have a large array of equipment available for hire at an affordable cost.

We have tried to create a pool which incorporates both traditional sports equipment and innovative new equipment. Our pool includes sports such as cricket, soccer, basketball, water and playground activities.

We would like to thank the **Portage Licensing Trust** for supporting this project.

Hire Costs

Hire costs support the maintenance and renewal of equipment. Costs are relevant for a hire period of 2 nights and 3 days (unless otherwise stated), if you require the equipment for a longer period of time there may be additional costs.

Equipment Bond

Sport Waitakere requires a bond that is paid on pick up of the equipment. A bond of \$50 is required for 5 or less sets of equipment. A bond of \$100 is required for 6 or more sets of equipment, hire of the moon ball and the tug of war rope.
